**LORAN KAMINSKY JOINS CTPARTNERS AS PARTNER
IN REDWOOD CITY, CA**

Experienced Recruiter Enhances TMT & Professional Services Practice

NEW YORK, NEW YORK – July 20, 2009 – CTPartners, the performance-based executive search firm, today announced that Loran Kaminsky has joined the firm as a Partner in the Redwood City Office. Loran specializes in professional, IT services, software and the Internet. He has successfully completed assignments in the C-Suite and for general management, senior executive functions and operations executives.

Loran joins from Korn/Ferry International where he was a Client Partner. Prior to joining the search industry, he was with Ernst & Young, Portal Software and PeopleSoft.

Umesh Ramakrishnan, Vice Chairman and Head of the TMT Practice said, “Loran brings a mix of professional service consulting skills coupled with a strong background in IT. Having come from the software industry he has personal experience from the client side of the desk. He will be a great addition to our established technology, media and telecom practice in Redwood City.”

ABOUT CTPARTNERS

CTPartners is the performance-driven executive search firm serving clients across the globe. Committed to a philosophy of true partnership with clients, the firm offers a proven record in C-Suite, top executive, and board searches, as well as expertise serving private equity and venture capital firms.

With origins dating back to 1980, CTPartners serves clients with a global organization of more than 300 professionals, offering unparalleled expertise in technology, media and telecom, financial services, life sciences, professional services, retail, industrial and Board Advisory Services.

CTPartners' focus is simple: Place the right executive in the chair. Proof positive of CTPartners' ability to get the job done is its 78% placement rate in 2008. With searches typically taking about 132 days to complete, 90% of placements were completed on average in 107 days. Furthermore, independent post-placement research reveals an industry-high stick rate of 90% for 2008. These statistics are believed to be the best in the executive search industry.

Methodologies used include state-of-the-art technology, such as ClientNet®, a password-protected extranet service that renders a search transparent and facilitates client communications. Other tools include Candidate Central®, which shortens the recruitment cycle by efficiently engaging candidates; and the 40-day Audit™ processes.

Headquartered in New York, CTPartners has offices in Bogotá, Boston, Caracas, Cleveland, Columbia, Geneva, Hong Kong, Lima, London, Mexico City, Miami, Paris, Redwood City, Santiago, São Paulo, Shanghai, Singapore, and Washington, D.C.
